"Hey there, good looking . . ."

If time could suddenly stand still, and never fade away,

We'd want to spend it all together, and together we would always stay.

For what could be more glorious than time without an end,

A period of endless bliss, a road without a bend.

A time of love beyond compare that never becomes old,

A tireless sonata that weaves dreams of purest gold.

Yes, it would be most wonderful if time could pause awhile,

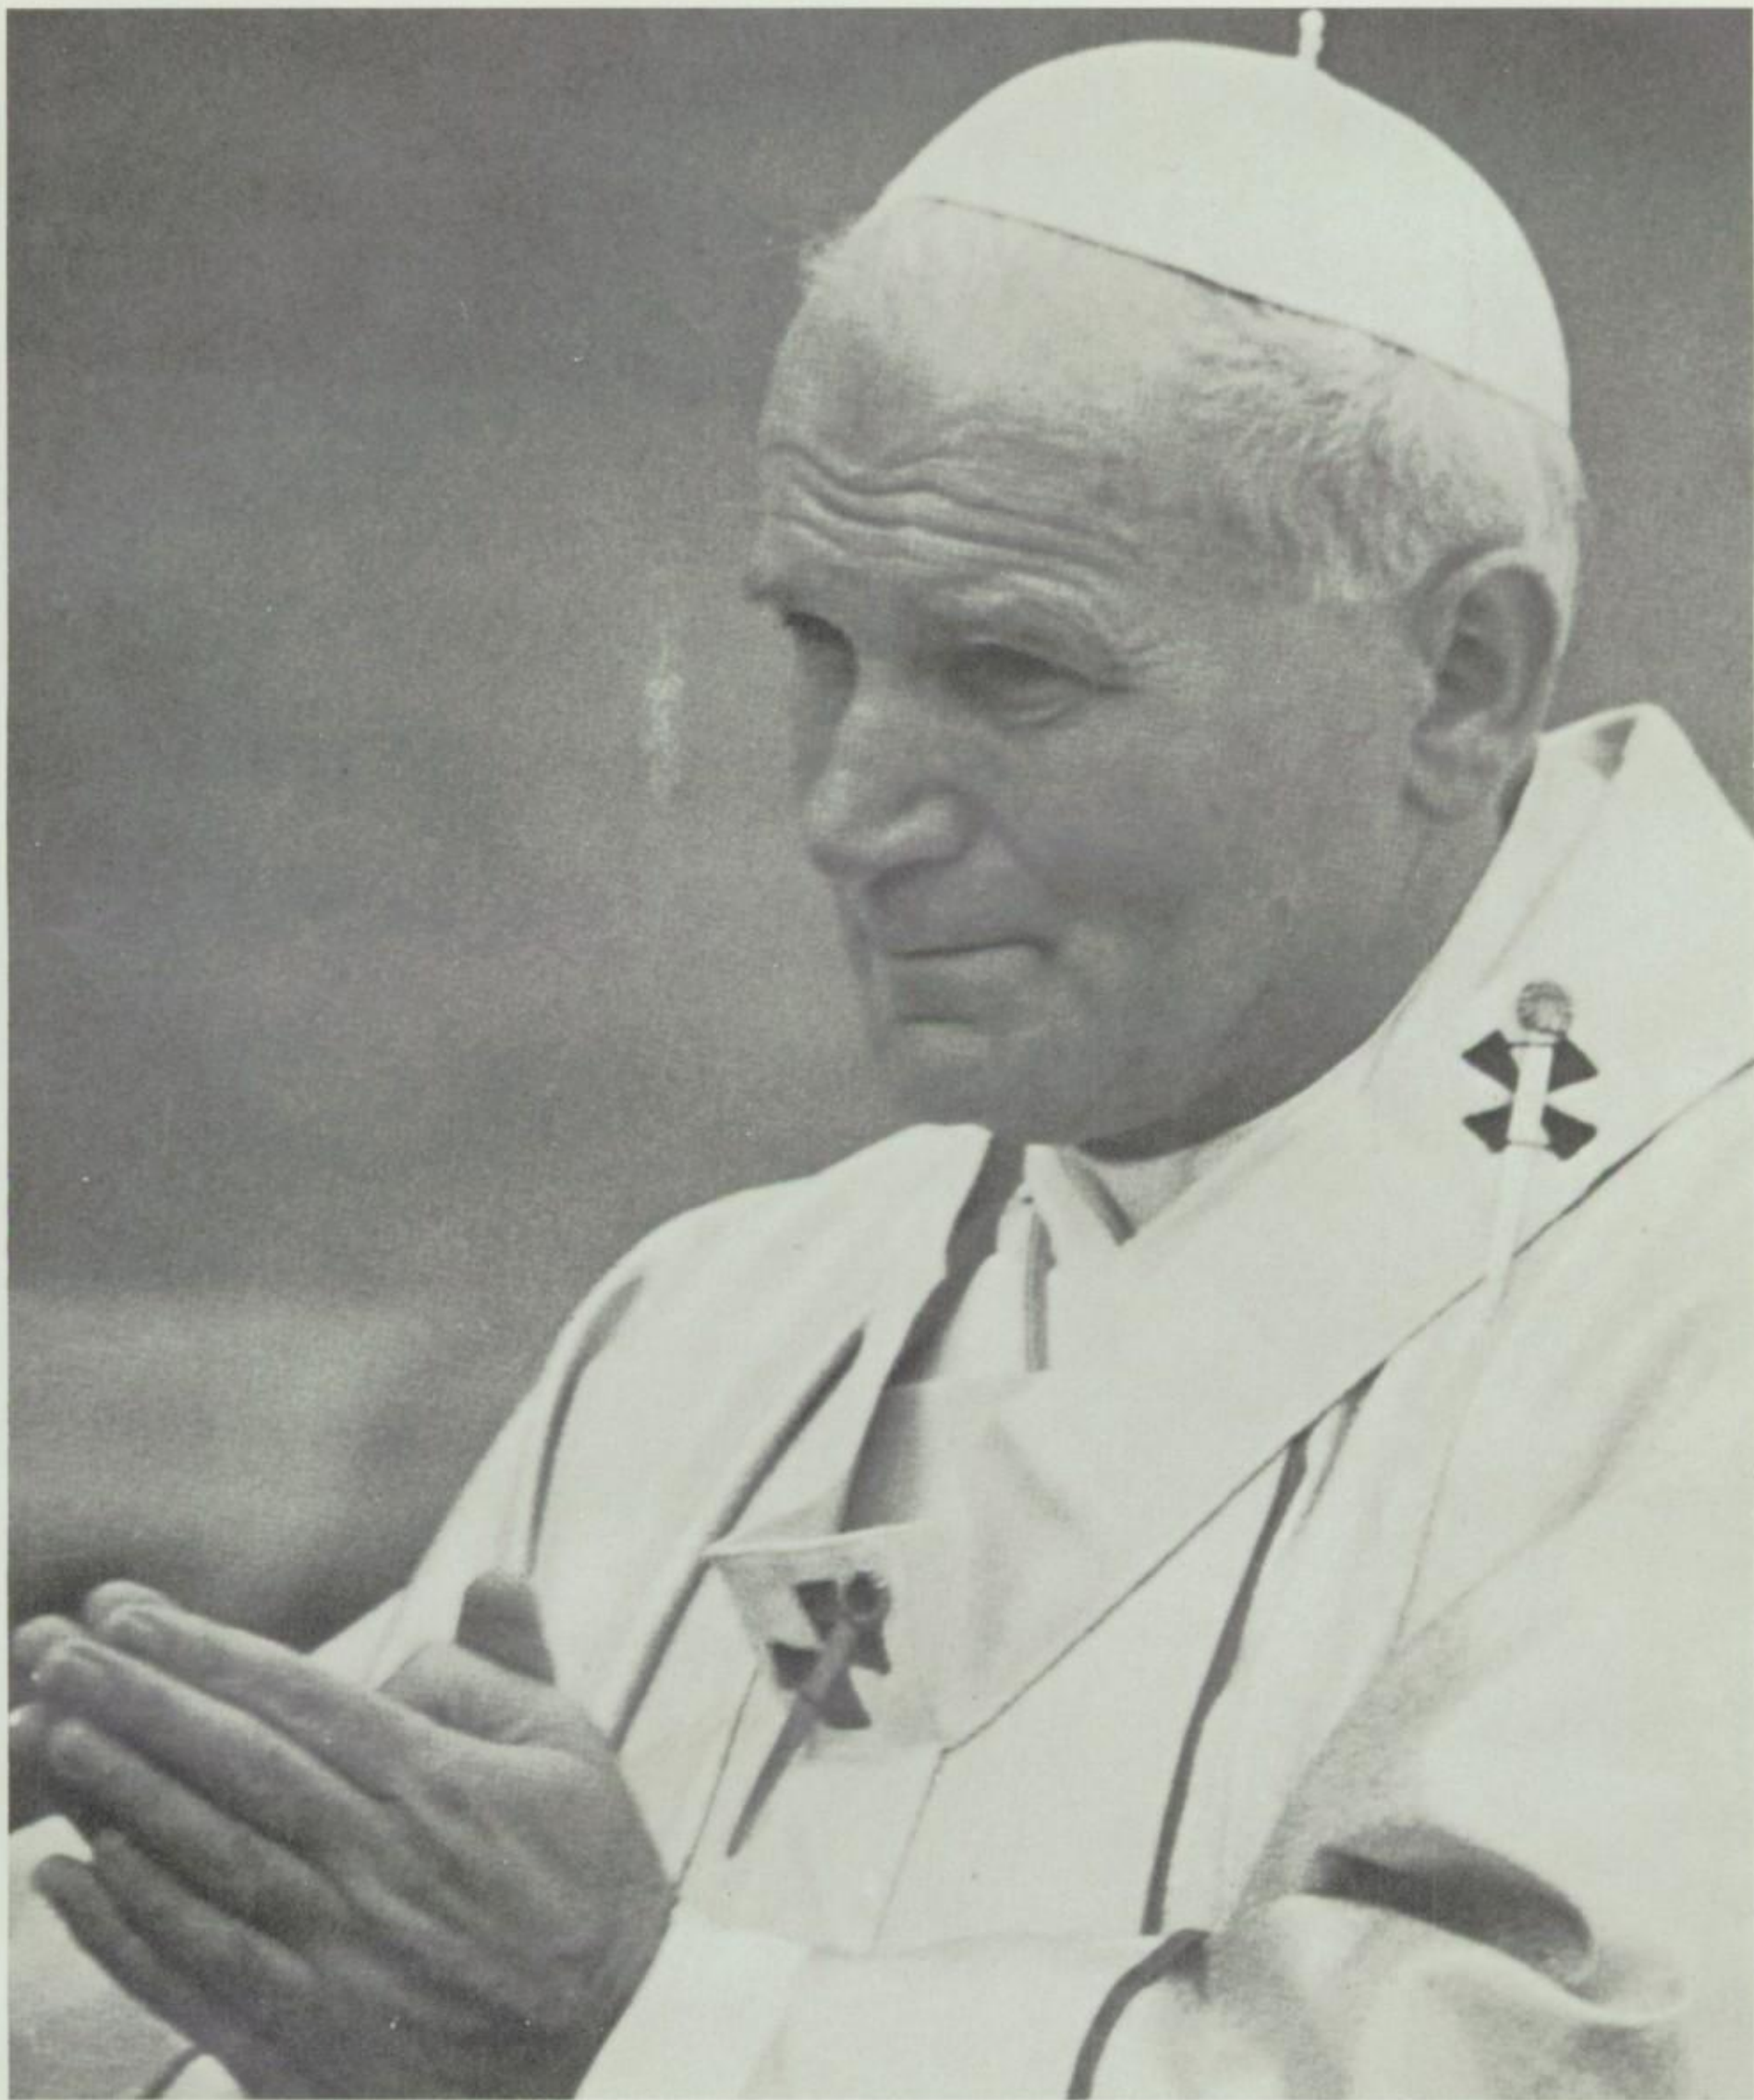

Freezing on the face of life, a tender glowing smile.

But this no doubt will never be, and so we must pretend,

The moments that we spend together, will never, ever end.

When the days seemed hard to bear,  
We thank you for your patience  
And for your never-ending care.

You opened your heart and gave us

"OUR FRESHMAN YEAR  
WAS FILLED WITH FUN,  
OUR HIGH SCHOOL  
YEARS HAVE JUST  
BEGUN."

Assumption, our high school dear,  
We thy children singing here.  
To thee, our thoughts, our hearts  
we bring.  
To thee, of thee, for thee we sing.  
Beneath the care of Francis' hand  
Beneath his love so strong we stand.  
Our Alma Mater tried and true  
Our Alma Mater farewell to you.

When the years have dimmed our  
eyes,  
No matter where our pathway lies  
Though far apart we'll sometimes be,  
Oh, Alma Mater, we'll thank thee.

Assumption, our high school kind,  
We'll all be true in heart and mind,  
We'll support, protect and  
cherish thee,  
Faithful stand, true and loving be.  
And since thy task is understood,  
We'll all be noble, great and good:  
Our love for you will ne'er grow less,  
Our Alma Mater guide and bless.

# a woman's place... means the world.

The facts are plain and simple. For the woman interested in a career in today's highly competitive world certain skills are

needed for success. Studies indicate that the best place to gain those skills are at a women's college where the emphasis is on the woman as an individual. Something small, personalized and yet innovative. Something like Maria Regina College. The facts are there.

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.

The time has come to bid adieu  
To all our yesterdays.  
We sit and reminisce over the  
Memories we've saved.  
At times it seemed the hours  
Would linger into days  
And we'd wish the days be far away.  
But now we see them slip away  
And a closing about to come,  
We look upon these days as  
Very special friends.

Its hard to say goodbye  
As we recall our laughter,  
Friends,  
Tears,  
And the thoughts and  
Special times we've shared.  
And see them only in our  
Yesteryears.  
But in time they'll have their  
Second day, and never, ever end.  
And though this yearbook may fade away  
It's presence marks our minds  
And the tears and laughter  
The dreams and goals  
Will linger on  
In time.

It's been really great  
going to school with you again.  
We've had some really great times  
and I hope to have alot more. I can't  
say that I'll miss you because I can  
see you every day! So just take care  
of yourself and don't ever change.
